Fixed term deposit – early withdrawal	Where in its discretion, EAB permits customers to break fixed term deposits. In such cases, EAB may offer the customer a revised (reduced) expected profit rate determined by the fixed term deposit amount, prevailing profit rates in the market, and remaining term, among other factors. Please contact your relationship manager for more information
Fixed term deposit – expected profit rates	Illustrative expected profit rates will be included in the Summary Box information that we provide before the account is opened. The agreed rate will be confirmed before placement of the fixed term deposit

The Bank may change its fees from time to time in accordance with the terms and conditions governing your account, and may, on a discretionary basis, levy lower fees or waive fees entirely for certain transactions. VAT, if any, will be applied at the prevailing rate.

¹ This is unpaid Direct Debit and unpaid Cheques (EAB cheques).

² Foreign exchange cash transactions including currency equivalent fees are subject to the EAB exchange rate at the time of transaction.

³ This is the annual rate used to calculate the late payment amount for any unpaid balance of an unauthorised overdraft. The late payment amount will be donated by the Bank to charitable causes.

⁴ Profit is not paid on current account balances.

⁵ Other currencies might be available on application.
